

Hair news  
February 2010

Happy New Year to everyone I can't believe its 2010 already but time stands still for no one. I had the children home for school break but now they have gone back.

April started kindergarten this year which was very exciting and Summah is in 2nd grade now. Hasn't time has flown? Being a mother and a business owner is quite testing some times. I want to wish Linda our new Manager and Cindy (2ic) all the best in their new roles at Lamonde and also welcome Ashley back on deck.

Now watch this space as we have some great Promo's planned for this year and remember first in best dressed. Don't forget if you would like us to SMS all our promo's just make sure the staff have all your details updated we don't want you missing out!

Well, I have to get back to the salon but keep in touch or just call in and say hello.

All the best Rechelle xx

Welcome back Sarah from her BIG break!

Hi,

Hope everyone had an awesome Christmas and New Year!

I have been here at Lamonde for 4 years now and as most of you know I finished my apprenticeship and became a fully qualified Hairdresser in November last year so that was very exciting and another big mile stone for me.

I've just recently come back from a month off so I'm back, fresh and ready to get back into it! I am so glad to be back, I had missed my team and of course all my lovely clients!

This year I have big plans. I have taken on a new role as the 'Technical Trainer' which will involve training the 3 juniors once a week every Wednesday. So keep an eye out because we will also need some models so if you're interested or know anyone who would be let me know!

I am really excited to begin my new role, I'm going to do everything in my power to make these 3 girls THE BEST that they can be! I love helping people and sharing my knowledge with others so watch out!

I look forward to seeing you all and catching up in the salon.

BRING ON 2010!!

Managers Report

Hi there I would like to introduce myself to anyone who doesn't already know me.

My name is Linda I have been managing the salon for approx 2 months now and loving it. I have previously worked for La Monde for about 5 yrs.

I completed my apprenticeship and went off to travel the world for a couple of years and I've somehow found my way back home and back to the salon where it all began.

I'm really thrilled to be a part of this salon and all the exciting and new things we have happening this year. The staff are a wonderful team, they love what they do and their skill level is of impeccable standard.

I look forward to writing more in the coming months of what La Monde NEWS has to offer to u all.
