Managers Report

Hi this is Cindy, I just wanted to drop a line and give all of our valued and loyal clients an update on the latest "going's on" at La Monde!

Our new manager Linda will be off for the first couple of weeks of March due to her pending nuptials in Bali. We'd love to wish her a beautiful, romantic and unforgettable day and we all look forward to the pictures when she returns.

Myself-I will be stepping right into my new role as acting manager in Linda's absence. I am looking forward to the new challenge and also the opportunity to learn a little more about the business and what goes on behind the scenes! It'll also be a great chance to utilize some of my newly found knowledge gained from a wonderful seminar I attended on Monday 22nd Feb at Star City. The seminar was held by Julie Piantadosi , who is an absolute marvel and a self made millionaire in the world of hairdressing.

It will be my goal to continue to see the salon operate as a well oiled machine, whilst also implementing various team building & marketing strategies, all designed to make La Monde an even BIGGER & BETTER hairdressing experience!

We look forward to seeing you in salon soon!
Here's to good hair days ALWAYS, Cindy.
